Tim,

We are in the process of finalizing a revision to this map. I'll have a copy sent to you.

Subject: Update of Latest Well Location Diagram

Jay,

The last diagram that we received showing well locations was described as incomplete by Entergy.

It is an 8 ½ x 11 landscape titled "CONCEPTUAL SKETCH OF IPEC PHASE 1, PHASE 2, AND PHASE 2A MONITORING WELL LOCATIONS".

The omissions we have noticed were the wells in and around the U-3 turbine bldg. We were informed that we would be receiving an update of it.

This is a useful map for explaining the status of site investigative efforts due to its simplicity and small size. Any idea when this update will be available?

Thanks,

Tim
