SUNSI REVIEW COMPLETE

STANDARD FORM 30 (REV. 10-83)
ADMOO2

TEMPLATE - ADMOO2

The purpose of this modification is to (1) add two additional steam generator tests, (2) increase the contract ceiling by \$40,000.00 from \$200,000.00 to \$240,000.00 and (3) provide incremental funds in the amount of \$40,000.00 thereby increasing the NRC obligations from \$170,000.00 to \$210,000.00. Accordingly the contract is modified as follows:

The current statement of work shall allow for two (2) additional steam generator tests. Each test shall follow task 1 through 5 and reporting requirements identified in the statement of work.

Refer to Section, B.3, "CONSIDERATION AND OBLIGATION—COST REIMBURSEMENT" (JUN 1988) ALTERNATE I (JUN 1988), paragraphs (a) and (b) are deleted in their entirety and replaced with the following:

- "(a) The total estimated cost to the Government for full performance under this contract is \$240,000.00.
- (b) The amount presently obligated by the Government with respect to this contract is \$210,000.00."

A summary of obligations from the date of award through the date of this modification is provided below:

FY06 Obligations	\$210,000.00
Cumulative Total of NRC Obligations	\$210,000.00

This modification obligates FY06 funds in the amount of \$40,000.00.

All other terms and conditions remain the same.
