SUBJECT: ARM GROUP INC., SECOND REQUEST FOR ADDITIONAL INFORMATION  
CONCERNING APPLICATION FOR LICENSE AMENDMENT, CONTROL  
NO. 139365

Dear Mr. McQuown:

This concerns the subject application for an Amendment to your material license and our telephone conversations of September 25, and October 4, 2006, in which I discussed with you the deficiency in your request and that a sealed source must be registered with the Sealed Source Device Registry in order for us to authorize the sealed source on an NRC license. Prior to our telephone conversations, I had also discussed the deficiency with your consultant, Todd Mobley on September 21, 2006. To date, we have not received a response from you.

You are hereby notified that unless within thirty (30) days from the date of this notice we receive the additional information requested, we will consider that you have abandoned your application. This action is without prejudice to the resubmission of an application.

Sincerely,
