Subject: Getting back to you, and a question..

Donnie,

In case you didn't get my voice mails, I wanted you to know I am in the office and available to discuss whatever you had called about earlier (and whatever else).

Also, I wanted to discuss transmission of the Draft SER. I was hoping, since you pointed out is too big to transmit via e-mail, that you might have someone put it on a CD and Fed Ex it to us, so we can begin our review ASAP. We would much prefer an electronic copy to facilitate the review and facilitate providing mark-ups of the draft. Also, our plan is to dedicate the people originally involved with the Oyster Creek LRA (some of whom are currently working on other things) to this task for a relatively short period of time, and get it completed early. Our thinking is that providing our feedback prior to ACRS Subcommittee would be helpful to the staff, as well as to our own work management.

Please let me know what you think. Thanks.

- John.
