### RE: FREEDOM OF INFORMATION ACT REQUEST

Dear Sir or Madam:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C § 552, I am requesting a copy of the draft Decommissioning Plan for the Hematite Facility, Revision 3, submitted by Westinghouse Electric Company LLC to the U.S. Nuclear Regulatory Commission (NRC) in June 2006. This report pertains to the former uranium fuels processing/fabrication facility in Hematite, Missouri.

In addition, I am requesting copies of any and all documents or information in the possession, custody, or control of the NRC relating to decommissioning funding assurance for the Hematite, Missouri, facility. This request includes, but is not limited to, records provided by Westinghouse Electric Company LLC to the NRC.

To the extent that any corporate documents responsive to this request are exempt from public disclosure under Exemption 4 of the FOIA, I request that you provide redacted copies.

I would also appreciate receiving any materials you can release as soon as possible rather than waiting for all the responsive documents to clear your review processes.

History Associates Incorporated agrees to pay all reasonable and standard processing fees authorized by 5 U.S.C. § 552 (a)(4)(A) and the applicable regulations up to \$100. If the fees will exceed this amount, please call me for further authorization.

Please contact me at (301) 279-9697 if more information is needed to process the above request. Thank you for your time.

Sincerely,

  
Randall Lewis
