License No. 37-30854-01
Docket No. 03036446
Control No. 139419

To Whom It May Concern:

As referenced in 10 CFR Part 35, Section 290 (1)(ii)(G), I attest that Ellen Smith, M.D. has completed practical experience in eluting a generator appropriate for preparation of radioactive drugs for imaging and localization studies, measuring and testing the eluate for radionuclide purity, and processing the eluate with reagent kits to prepare labeled radioactive drugs. This was performed, in total, under the supervision of myself and two other authorized users named on our NRC license, listed below, on Wednesday and Friday, February 23 & 25, 2005.

Sincerely,

Frank Bloe, DABMP, DABSNM
