ASLBP No. 06-845-01-EA

JOINT MOTION FOR EXTENSION OF TIME

The parties to this proceeding filed written discovery responses on October 3, 2006, upon mutual agreement when computer problems prevented the Staff from filing on the original due date of October 2, 2006. Upon initial review of the responses filed on behalf of Mr. Geisen, the Staff determined that it may file a motion to compel and, additionally, may renew its motion to stay the proceeding. Because it anticipated that the motion for stay would likely require more than ten pages, the Staff filed a "NRC Staff Request to Exceed Page Limits" on October 10, 2006. At the time of the filing, Staff counsel had been unable to contact counsel for Mr. Geisen regarding the request.

Since that time, counsel have been able to confer and have agreed to consult further in order to attempt to resolve discovery issues, including issues that Mr. Geisen may have relating to the discovery responses served by NRC Staff. In order to allow time for this process, counsel have mutually agreed to request an extension of time until Friday, October 20, 2006,

for the filing of any motions by the parties based on their respective written discovery responses dated October 3, 2006. Accordingly, the parties respectfully request that this extension be granted by the Board.

Respectfully submitted,
