Robert:

Regarding: Environmental Scoping:

As you know steps 1&2 have occurred here at Pilgrim - public meeting and deadline for opportunity for written comments.

What happens next?

1. When will public comments be placed on NRC's electronic library? I have looked with no success. If they are on Adams, please provide accession number.
2. Does the NRC meet again with the public and provide their rationale for denying a requested issue to be included in Pilgrim site-specific review? If so, when? If not, how does the NRC intend to reply?

Thanks and a Happy 4th week-end,

Mary Lampert
