SUMMARY

Licensee stated that it was their intent to have the material under LN 19-12056-03 covered under their license. When informed that LN 29-01022-14 did not cover that material, he expressed a desire to amend the license to include it.

Agree with John Glenn. We will use the letter dated 10/17/88 as the basis for an amendment to LN 29-01022-14
