PLEASE PASS THIS TO: Mr. Ronald Bellamy, Branch Chief, Nuclear Materials Safety Branch. Thank you.

Mr. Bellamy, as discussed with Mr. Wil Davidson, we would like to arrange a meeting with yourself to discuss a number of issues. Mr. Davidson suggested we provide you with a brief outline of topics we wish to go over so that the appropriate people from the NRC can attend. Topics of discussion are provided on the next page.

We propose to drive up to your location and discuss the above issues and concerns. We would like to do this at the earliest convenience. Right now, November 22, 23 and 24 are good dates for us. Please contact us so we may arrange for a meeting date.

Thanks for your cooperation.
