37-30404-01 03034512

Dear License Reviewer:

Please amend our byproduct material license to add Helen S. Sax, M.D. as an authorized user for all procedures and material listed on the byproduct material license. Dr. Sax is currently listed on the byproduct and radioactive material license issued to Southern Chester County Medical Center License Numbers: 37-17886-01 and PA-0380. Copies of these documents are attached for review. Please refer to these licenses for confirmation of authorized user status.

Please amend our license to delete Denise Shusterman, M.D. and Howard Rosner, M.D. as authorized users. Dr. Hutt will remain on the license as an authorized user.

If you have additional questions, please contact Michael W. Lairmore or myself. Mr. Lairmore may be contacted at (201) 693-2277.

We thank you in advance for your assistance with this licensing action.

Sincerely,

Jeff Lincow Administrative Representative
