Dear Steve,

We would like to request a project briefing / update meeting with you and other NRC staff members involved in the Lost Soldier & Lost Creek project, Wyoming (NRC Docket No.40-9068). Our project team plans to go to NRC for the meeting on Nov. 14, 2006 (two weeks from today). We could have the meeting either in the morning or afternoon. Morning will be better for us (say 9:00 am - 11:30am) so that we can fly back home in the afternoon/evening on the 14th.

I am preparing an attendee list and agenda and will e-mail you that as soon as I finalize them. At the meantime, please check your availability to see if the proposed date is OK for you and drop me a note.

Thank you very much for your attention and I look forward to hearing from you soon.

Ping Wang

P.S.: Do I need to fill out an official request form for this?
