Dear Ms. Susan Rohrbach:

Thanks for your enquiry. I consulted with our legal council in regards to when one can possibly hope to see a decision on the hearing matter cited below, and our council responded as follows, and I quote:

"The presiding officer shall, within forty-five (45) days after the filing of answers and replies [to the request for hearing/petition to intervene] under subpart (h) of this section, issue a decision on each request for hearing/petition to intervene, absent an extension from the Commission." In this case, the last reply was filed on July 3, 2006.

Hope this helps. If I can be of any further assistance, please do not hesitate to call me or e-mail me on this address.

I am sorry in getting back to you somewhat belated.

Dear Mr. Subbaratnam,

I took your e-mail from a notice for the July 19 Exit meeting in Plymouth and hope you are the right person to be contacting. I work for State Senator Rob O'Leary of the Cape and Islands and am looking to find out when a decision on the MA Attorney General's request for a hearing in the matter of the Pilgrim relicensing might be expected. Thank you--
