

DEPARTMENT OF THE ARMY
HEADQUARTERS UNITED STATES ARMY ELECTRONICS COMMAND
FORT MONMOUTH, NEW JERSEY 07703

AMSEL-SF-H

26 June 1974

SUBJECT: Application for Byproduct Material License

Atomic Energy Commission
Materials Branch, Directorate of Licensing
ATTN: Ms. Joan Gianneoli
Washington, DC 20545

1. Reference is made to license application for byproduct material by this command, dated 27 April 1973.

2. Request that the subject application be amended as follows:

a. Reference item 5. Request that application show James M. Garner, Jr. (listed as alternate on original application) as the Radiation Protection Officer, and Charles E. Kent, Jr., whose resume appears in Supplement I of BML 29-01022-08 and BML 29-01022-09, as the Alternate Radiation Protection Officer.

b. Reference item 7 (Supplement 3). For future procurements the license number on the tags will be deleted (see Figure 1 of draft TM 3-6665-264-10).

c. Reference Supplement 7. Delete Supplement 7. All check sources have been modified in accordance with DMWR 3-6665-264. ECOM is listed as the licensee in draft TM 3-6665-264-10 which appears in Supplement 3.
