Dear Dr. Lin:

This concerns the subject application for termination, dated August 8, 2006, to your material license and our letter dated August 25, 2006, in which we notified you that the application was deficient and that certain additional information was required. The letter stated that if we did not receive a response from you within 30 calendar days, we would assume that you no longer wished to pursue the action. To date, we have not received a response to our letter.

We are notifying you that we have voided your application because we consider you to have abandoned it. This action is taken without prejudice to the resubmission of your request.

Sincerely,
