Coal-Mac Inc. is in the process of updating the model 3500 Coal Scan, license # 47-25599-01, to a model 2500, which is a newer and more accurate device. Sources from the model 3500 will be the same used in the model 2500. Please update our license # 47-25599-01, section 9C and D to read model 2500 fixed gauging device, instead of model 3500.

If you have any questions regarding this matter, please call me at (304) 475-5116-ext.1212 or (304) 239-2910, ext. 4.

Sincerely
