JOINT MOTION FOR EXTENSION OF TIME

The parties, by and through their respective counsel, jointly move for a further extension of time to file discovery motions relating to the parties' October 3, 2006 written discovery responses until and including December 1, 2006. The parties have been engaged in good faith discussions regarding discovery issues related to the October 3, 2006 written discovery responses. As a result of various factors relating to this proceeding, the parties have not been able to complete their good faith discussions. The parties expect to continue their good faith discussions and respectfully submit that that a further extension until and including December 1, 2006 would assist the parties in their efforts to resolve or limit the issues that would be the subject of the discovery motions.

Respectfully submitted,
