Subject: Entergy Nuclear Generation Company and Entergy Nuclear Operations, Inc. (Pilgrim Nuclear Power Station), Docket No. 50-293-LR, Docket No. 50-293-LR

In accordance with the Atomic Safety and Licensing Board's October 24, 2006 Order, Entergy hereby notifies the parties and the Board that it does not foresee any difficulty meeting the schedule set forth in the Model Milestones. Entergy suggests, however, that an earlier deadline for summary disposition motions would expedite the proceeding, and suggests that this could be discussed during the November 20 conference call.

Sincerely,

David Lewis
Counsel for Entergy
