Bob:

You recall that on 3/23/06 we gave you verbal approval on your relief request dated 12/21/05, and supplemented on 3/1/06. Subsequent to that we received two supplemental submittals from you dated 4/11/06 and 6/23/06.

In order to complete this review, our technical people told me that they need the following information: A written summary of the procedure used to generate the acoustic comparison results listed in the table that you e-mailed to us on 8/31/06, and a justification to explain why the results satisfy the requirements under A-388 (which we gave you relief from).
