Summary: In the letter dated October 12, 2006, the licensee requested that 10 CFR 35.300 materials be removed from their license. I spoke to B. Harvey to confirm that the licensee no longer possessed any of these materials. Ms. Harvey stated that they did not and that she would have a letter faxed to the NRC stating that information. I informed Ms. Harvey that the letter must be signed by a management representative.
