NRC-38-03-361 Modification No. 7 Page 2 0f 2

The purpose of this modification is to allow for the contractor to travel to Region II on June 29 - June 30 to provide the Mid-Career Retirement Planning Seminar to staff from the Region II and Region IV offices. The cost of the seminar is the same price as given in the contract. Accordingly, the contract is modified as follows:

Section B.12 Meetings & Travel is revised to read as follows:

"It is auticipated that travel will take place under the contract. Courses shall be offered in the Professional Development Center (PDC), the Technical Training Center (TTC) and in all of the four regions. For authorized travel, the prevailing Government rates shall apply. The traveler shall present documentation for lodging and transportation costs as part of the invoice. Each region will have varying rates depending on the distance from the Washington Metropolitan area, the number of travel days, price of airline tickets, and the allowed per diem for each area. If an instructor is away from his/her place of residence, the NRC will not be obligated to pay the increased costs".

Section D.1 Schedule for Option Year II, III and IV is revised to add the following line item:

Add this item to the end of each year:

"Travel Costs Not to Exceed \$3,000 Will be authorized on an individual basis"

Section D.1 Schedule Option Year II is revised to add one course under "Mid-Career Retirement Planning Seminar" as follows:

DESCRIPTION	EST QTY	UNIT	FIXED UNIT RATE	ESTIMATED TOTAL AMT
