Request for Additional Information (RAI) Regarding License Renewal, Oregon  
State University TRIGA Reactor (TAC NO. MC5155) dated October 3, 2006

Subject: Request for Extension 60 days to Respond to the RAI

Mr. Hughes:

The RAI letter dated October 3, 2006, requested a response within 30 days from the date of the letter. We would like to request an additional 60 days for a response to the RAI. Due to travel away from work for several of our key staff members, including myself, we have not had the opportunity to thoroughly research and assemble our response. The additional 60 days should be more than adequate and greatly appreciated.

If you have any questions, please call me at the number above. I declare under penalty of perjury that the foregoing is true and correct.

Executed on: 11/10/06.

Sincerely,

Steve Reese  
Director
