I think it would be helpful to have the specific dates and circumstances that are in question in advance of the conference.

Thank you.

Dear Administrative Judges;

Pursuant to the Board's October 24, 2006 Order, this is to inform the Board and parties regarding any problems that the NRC staff might have meeting the model milestones for Subpart L cases found in Appendix B to 10 C.F. R. Part 2.

At the present time the NRC staff does not anticipate any major problems meeting the model milestones. Some of the dates may require tweaking, based on already scheduled annual leave and other factors. In addition, the Staff notes that the projected dates for the issuance of its documents is a best estimate and may be subject to unanticipated changes.

We will be prepared at the telephone conference on November 20, 2006, to discuss specific dates and scheduling, unless the Board would like the specific details before the telephone conference.

Sincerely,

Susan L. Uttal
Counsel for the NRC staff
