Please provide additional information for the following items:

1. The letter from Naren Srivasdava, Practice Administrator, stated that all imaging will be provided offsite, since the Cancer Center does not possess a gamma camera. Please describe the arrangements made for offsite imaging, to include facility name, address, NRC license number, list of imaging equipment, facility diagram and written agreement for performance of imaging only.
2. Please provide documentation of training and experience for Dr. Emily Militzer, as required by 10 CFR 35.290 (imaging and localization studies) and 10 CFR 35.390 (use of unsealed byproduct material for which a written directive is required).
3. Please provide a description of the instrumentation (e.g. gamma counter) that will be used to perform required surveys.
4. For types of use permitted by 10 CFR 35.300, please describe the rooms where patients will be housed if they cannot be released under 10 CFR 35.75. Please include a description of shielding, if applicable.

Please note that you may not reply to this letter by return e-mail. Your reply must be in writing by letter or facsimile (610-337-5269). If we do not receive a reply from you within 20 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your application.
