To Whom It May Concern,

In accordance with 10 CFR 35.50 Dilip K. Basu, M.D has fulfilled the following requirements:

paragraph c (2). Dr. Basu is an authorized user on our radioactive materials license and has experience with the radiation safety aspects of similar types of use of byproduct material for which the individual has Radiation Safety Officer responsibilities and

paragraph e. Has training in the radiation safety, regulatory issues, and emergency procedures for the types of use for which a licensee seeks approval. This training requirement may be satisfied by completing training that is supervised by a Radiation Safety Officer.

I attest that Dr. Basu has achieved a level of radiation safety knowledge sufficient to function independently as a Radiation Safety Officer for a medical use licensee.

Thank you for your attention to this matter.

Sincerely, *[Signature]* RSO
