Dear Mr. Seeley, Jr.,

In January 2006, we informed you that Georgia-Pacific Corporation (Georgia-Pacific) had become a privately held corporation and a wholly-owned subsidiary of Georgia-Pacific Holdings, LLC, a Delaware limited liability company. Georgia-Pacific Corporation continued to be owned by Georgia-Pacific and, thus, was unaffected by that transaction. We now are writing to inform you that Georgia-Pacific Corporation will become Georgia-Pacific Wood Products, LLC. effective on or before December 31, 2006, and, once again, it will continue being owned by Georgia-Pacific. Any permits associated with the facility will be under this new entity from that date forward. A list of permits issued to the facility is enclosed as Attachment A.

Please let us know what steps, if any beyond this notification, we need to take to effect a change to our permits. We will assume that this notice is sufficient for your purposes, unless we hear from you otherwise. Again, it should be emphasized that the facility, under Georgia-Pacific Wood Products, LLC. will continue to be owned within the Georgia-Pacific family of companies.

We appreciate the good working relationship we have enjoyed with you over the years and look forward to continuing that relationship in the future. If you have any questions or comments regarding this matter, please contact me at 434-634-6133.

Sincerely,

Dr. F.S. Lin
