REFERENCE: Letter GNRO-2006/00058, "Changes to the Local Power Range
Monitor (LPRM) Calibration Frequency" dated November 11, 2006
(TAC No. MD3469)

Dear Sir or Madam:

By the above referenced letter, Entergy Operations, Inc. (Entergy) proposed a change to the Grand Gulf Nuclear Station, Unit 1 (GGNS) Technical Specifications (TS) to extend the Local Power Range Monitor (LPRM) Calibration Frequency. Some of the information contained in the referenced letter was considered proprietary to AREVA NP Inc. An affidavit by the information owner, AREVA NP, was provided to support a request to withhold the proprietary information from public disclosure in accordance with 10 CFR 9.17(a)(4), 10 CFR 2.390 (a)(4), and 10 CFR 2.390 (b)(1). This supplement provides a revised affidavit. The need for the revised affidavit was previously discussed with the NRR Project Manager.

The response to the request for non-disclosure should be provided to:

Mr. Jerald S. Holm
AREVA NP Inc.
Product Licensing and Regulatory Affairs, OF16
3315 Old Forest Road
PO BOX 10935
LYNCHBURG, VA 24501

There are no technical changes proposed to the original amendment request. The original no significant hazards consideration included in the above referenced letter is

GNRO-2006/00064

Revised Affidavit

requested qualifies under 10 CFR 2.390(a)(4) "Trade secrets and commercial or financial information".

6. The following criteria are customarily applied by AREVA NP to determine whether information should be classified as proprietary:

- (a) The information reveals details of AREVA NP's research and development plans and programs or their results.
- (b) Use of the information by a competitor would permit the competitor to significantly reduce its expenditures, in time or resources, to design, produce, or market a similar product or service.
- (c) The information includes test data or analytical techniques concerning a process, methodology, or component, the application of which results in a competitive advantage for AREVA NP.
- (d) The information reveals certain distinguishing aspects of a process, methodology, or component, the exclusive use of which provides a competitive advantage for AREVA NP in product optimization or marketability.
- (e) The information is vital to a competitive advantage held by AREVA NP, would be helpful to competitors to AREVA NP, and would likely cause substantial harm to the competitive position of AREVA NP.

The information in the Document is considered proprietary for the reasons set forth in paragraph 6(d) above.

7. In accordance with AREVA NP's policies governing the protection and control of information, proprietary information contained in this Document have been made available, on a limited basis, to others outside AREVA NP only as required and under suitable agreement providing for nondisclosure and limited use of the information.

8. AREVA NP policy requires that proprietary information be kept in a secured file or area and distributed on a need-to-know basis.

9. The foregoing statements are true and correct to the best of my knowledge, information, and belief.
