SUBJECT: UNITECH SERVICES GROUP, REVIEW OF DECOMMISSIONING FUNDING
PLAN, CONTROL NO. 138326

Dear Mr. Case:

In response to your letters dated December 15, 2005 and June 9, 2006, forwarding your Decommissioning Cost Estimate for your Royersford facility under License No. 37-23341-01, we have reviewed the basis of your evaluation in accordance with NUREG-1757, "Consolidated NMSS Decommissioning Guidance". The scope and completeness of the estimate, level of detail presented and reasonableness of the estimated costs were found to be acceptable. At this time you may submit the Financial Assurance documentation to NRC Region IV for review.

Thank you for your cooperation in this matter. If you have any questions regarding this letter, please call me at (610) 337-(610) 337-6942.

Sincerely,
