NOV 15 2006

David A. Brill, M.D.
Radiation Safety Officer
Cardiology Consultants of East Michigan
G-4040 S. Linden Road
Flint, MI 48507

Dear Dr. Brill:

Enclosed is Amendment No. 1 amending your NRC Material License No. 21-32624-01 in accordance with your request. Please note that the changes made to your license are printed in **bold** font.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region III office at (630) 829-9887 so that we can provide appropriate corrections and answers.

Please note, that we have reformatted Subitem Nos. 6 and 9 to remove all references to exclude authorizations such as "xenon-133 and limited to cardiovascular procedures".

Please be reminded, however, that you are still bound by the restrictions imposed by the excluded authorizations contained in documents incorporated into your license by Condition No. 16 in your license.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

A handwritten signature in cursive script, reading "William P. Reichhold", is positioned above the typed name.

William P. Reichhold
Materials Licensing Branch
