Dear Ladies and Gentlemen:

Entergy Nuclear Operations, Inc. (Entergy) intends to submit an application for license renewal for Indian Point, Units 2 and 3, in March 2007.

Reference 1 provided the schedule for submitting license renewal applications for Entergy's nuclear power plants. In References 2, 3 and 4, Entergy updated the license renewal application submittal schedule, which included an unnamed Entergy plant for submittal in March 2007.

Entergy's schedule for submitting license renewal applications, as identified in Reference 4, remains unchanged.

This letter contains no commitments.
