RE: License No. 32-25628-01 03036300

In reference to the listed license, we are requesting an amendment due to a change in RSO personnel, address, and senior management contact personnel. Marvin Hylton currently listed on the license as RSO is being replaced by Brian Jones, who will be assuming all RSO responsibilities. In addition, the address for all correspondence pertaining to the above referenced license has changed:

From: APAC-Atlantic, Inc.
Thompson-Arthur Division
P.O. Box 21088
Greensboro, North Carolina 27420
(336) 412-6800

(45-31205-01)

To: APAC-Atlantic, Inc.
Danville Division
239 Eastwood Drive
Danville, Virginia 24540
(434) 773-2400

The facilities, equipment, and procedures relative to the licensed program will not be changed. The gauges will continue to be stored at our Danville, Virginia facility. Records are currently stored on site and will not need to be transferred. Furthermore, Doug Dawson will replace Larry Brickey as the senior management NRC correspondence representative and Brian Jones replaces Marvin Hylton as license RSO representative.

I hope these changes meet with your approval. Additional information can be obtained from Doug Dawson or Brian Jones at (434) 773-2400.

Sincerely,

Larry Brickey
Division President
