Please amend my Byproduct Material License number 21-32618 -01 for Advanced Virtual Radiology to add an additional location of use. This location, Complete Health Systems, Inc. is currently listed under its own license 21-32543-01 which they are requesting to be terminated and to transfer all activity and material to license number 21-32618-01 belonging to Advanced Virtual Radiology. I am accepting all sources and possible contamination in place.

Please see attached request. If there are any questions please contact our medical physicist Ray A. Carlson at 734-455-4730.

Sincerely,

Anthony A. Bennett, M.D.
