

MEMORANDUM TO: Roselyn Levin  
Region I

FROM: Ronald Albert, Chief  
Security Performance Evaluation Section  
Division of Nuclear Security  
Office of Nuclear Security and Incident Response

SUBJECT: ACCESS TO SECURITY, RADIOLOGICAL, VITAL, AND PROTECTED  
AREAS OF THE PILGRIM NUCLEAR STATION

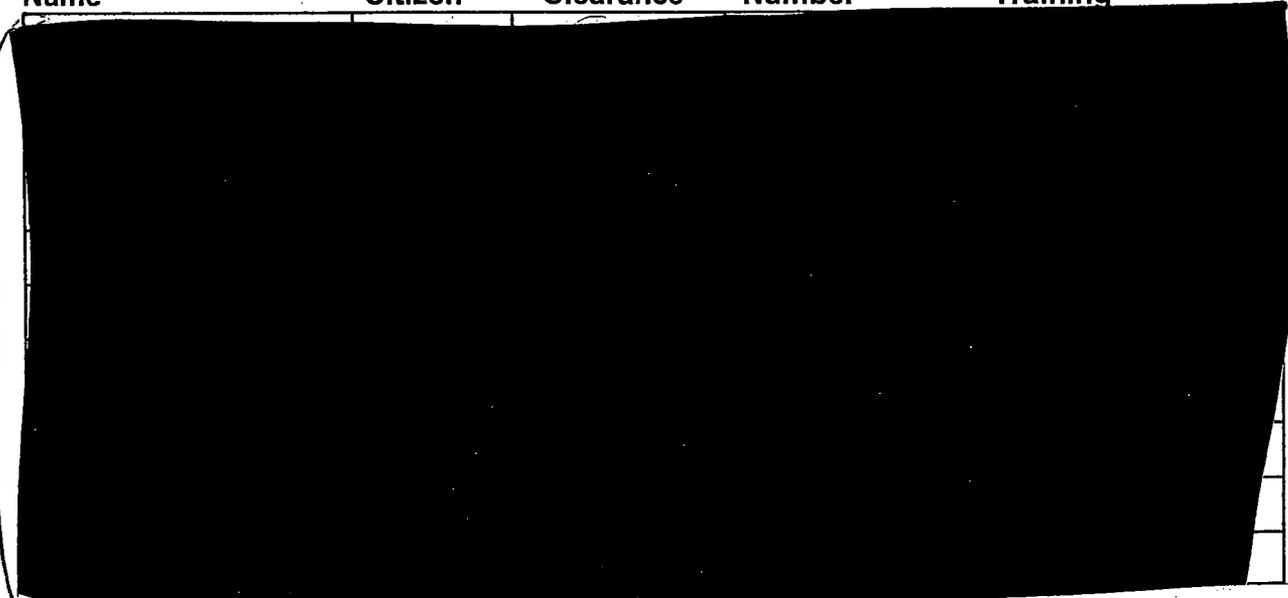

Please forward the following information to Entergy Nuclear in connection with the force-on-force program exercise at the Pilgrim Nuclear Station, during the period of June 27, 2005, to July 22, 2005.

The NRC employees identified below have attended generic physical security and radiation protection in accordance with 10 CFR 19.12. The NRC employees' Q or L access authorization means he/she has been screened to the national level (including a criminal records check); no disqualifying offenses were noted.

The following NRC employee should be granted UNESCORTED ACCESS:

FO 26

Name	Citizen	Clearance	Badge Number	Site Access Training
------	---------	-----------	--------------	----------------------

Information in this record was deleted in accordance with the Freedom of Information Act, exemptions 2, 6  
FOIA- 2006-159

I-4

The following NRC employees should be granted ESCORTED ACCESS:

Name	Citizen	Clearance	Badge Number	Site Access Training
N/A				
N/A				

The contractor personnel listed below are subject to and controlled by a Federally accepted program which meets or exceeds the requirements of 10 CFR 26 (Fitness For Duty Programs) and the NRC program for drug testing. We consider that for purposes of this inspection, the licensee does not have to audit our contractor's fitness-for-duty program nor provide these persons with fitness-for-duty training. If the licensee observes any aberrant behavior, the licensee should follow the same procedures as for NRC employees.

Further, the persons identified below have attended generic physical security and radiation protection in accordance with 10 CFR 19.12.

The U. S. Government Top Secret (TS) and Secret (S) security clearances mean they have been screened to the national level (including a criminal records check); no disqualifying offenses were noted.

The following information should be treated as Official Use Only.

The specific security clearance information is provided for the following contractors who should be granted UNESCORTED ACCESS:

ET 2

Please contact ~~Mr. David Bradfield~~ /301-415-6457 or e-mail ~~drb@nrc.gov~~, if there is any additional information you may require. Please ensure that the correspondence with the utility addresses the fact that all of the NRC contractors listed above who will require unescorted access has received general physical security and radiation protection training within the past year. We request that you include the NSIR contact on the copy of the regional access letter that will be sent to St. Lucie.

Security clearance information for NRC employees and Contractor personnel was verified with the Division of Facilities and Security.

~~Andrée DuBose~~ Personnel Security Specialist
