Rick,

I did get your phone messages. I understand that the Indirect Discharge Permit (ID-9-0036-2) under Title 10, V.S.A. Chapters 1259 & 1263 has been renewed. I need the new ID # of the permit, the date it was issued, and the date it expires for a table in the DSEIS.

I also understand that you are checking with the site to get the latest information on the renewal of the Application for Registration to Transport Hazardous Radioactive Materials under Title 44, Code of Virginia, Chapter 3.3, Section 44-146.30. The ER indicated that the current application (VY-S-073104) was due to expire July 31, 2006. Again, I need the permit number, the date it was issued, and the date it expires for the a table in the DSEIS.
