Subject: Additional information needed for Kimball Medical Center amendment request

Licensee: Kimball Medical Center
License No. 29-14017-01
Docket No. 03001980
Mail Control No. 139638

Subject: Request to add Alex Langman, M.D., to NRC license as Authorized User

Please send an email to confirm receipt of this message.

To: Ms. Karen Wheeler, M.S., Consultant

In order to continue our review of the request to add Dr. Alex Langman to Kimball Medical Center's license as an authorized user for uses under 10 CFR 35.100 and 35.200, please provide the following additional information to demonstrate that Dr. Langman meets the requirements of 10 CFR 35.190 and 35.290:

1. Provide a statement from Dr. Leonard Freeman that Dr. Langman had at least 700 hours of work experience, under the supervision of Dr. Freeman, involving -
 - (A) Ordering, receiving, and unpacking radioactive materials safely and performing the related radiation surveys;
 - (B) Performing quality control procedures on instruments used to determine the activity of dosages and performing checks for proper operation of survey meters;
 - (C) Calculating, measuring, and safely preparing patient or human research subject dosages;
 - (D) Using administrative controls to prevent a medical event involving the use of unsealed byproduct material;
 - (E) Using procedures to safely contain spilled radioactive material and using proper decontamination procedures;
 - (F) Administering dosages of radioactive drugs to patients or human research subjects; and
 - (G) Eluting generator systems appropriate for preparation of radioactive drugs for imaging and localization studies, measuring and testing the eluate for radionuclidic purity, and processing the eluate with reagent kits to prepare labeled radioactive drugs.

Because your response will contain license commitments, please have your response signed and dated by an individual authorized to make binding commitments and sign official documents on behalf of the licensee. Please be sure to include Mail Control No. 139638 in your response. Please note that you may not reply to this email by return email. Your reply must be in writing by letter or facsimile (610-337-5269). If we do not receive a reply from you within 30 calendar days from the date of this email, we will assume that you do not wish to pursue your application.

If you have any questions regarding this email, please call me at 610-337-5371.

Thank you for your attention to this matter.

Sincerely,

Donna Janda
Health Physicist, Medical Branch
Division of Nuclear Materials Safety
