Authorization to Proceed to Public Notice**

Dear Mr. Jenkins:

We have reviewed the draft permit and fact sheet for the Surry Power Station, which were transmitted by your letter dated November 2, 2006. Enclosed is the form authorizing public notice of these documents as modified by the revisions contained in your November 21, 2006 e-mails to Mr. Mark Smith USEPA, which were copied to Ken Roller of my staff.

We appreciate all of your efforts that have gotten us to this point, and look forward to working with you during the public participation phase of the permitting process.

Sincerely,

Pamela F. Faggert
