Re: Amendment to USNRC License #37-30492-01

03034916

Dear Sir/ Madam,

ARM Group, Inc. requests an **expedited** amendment to USNRC Specific License Number 37-30492-01. Among requested changes are the following:

Revise License Condition 7.D. to remove Isotope Products Source Model Am1.NO9 and replace with Isotope Products Model Am1.N03. The SSD Certificate Number for the Am1.N03 is CA0406-S-232-S.

No additional changes are requested at this time. If there are any questions please contact me at (610)-450-6108.

Kind regards,
ARM Group

M. Scott McQuown, P.G.
Senior Geologist & Geophysicist
