
FACILITY POST-EXAMINATION COMMENTS

FOR THE FERMI RETAKE

EXAMINATION - AUGUST 2006

Letter to File,

This letter is to document that there were no post-exam comments to the NRC written retake exam. The licensee informed the chief examiner by phone that the licensee would not send exam comments.

A handwritten signature in black ink that reads "Raymond Keith Walton". The signature is written in a cursive style with a prominent initial 'R' and a long, sweeping tail on the 't'.
