TO: Yongli Ning, Chief Medical Physicist

FROM: Rodney Cook MD, Radiation Safety Officer

SUBJECT: Delegation of Authority

DATE: November 17, 2006

You, Yongli Ning, have been appointed Temporary Radiation Safety Officer for the Providence Cancer Therapy Center as well as the Providence Alaska Medical Center in the absence of Dr. Cook, the current Radiation Safety Officer. During Dr. Cook's absence you will be responsible for ensuring the safe use of radiation, as well as the management of the radiation protection program (ALARA). In addition, you will be required to identify, initiate, recommend, or provide activities for radiation protection problems, and ensure regulation compliance. You are hereby delegated the authority necessary to meet these responsibilities, including prohibiting the use of by-product materials by employees who do not meet the necessary requirements and shutting down operations where justified by radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the Nuclear Regulatory Commission at anytime.

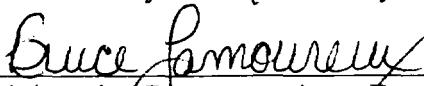

As temporary RSO you may perform the above function for no more than 60 days per year.

I accept the above responsibilities, Yongli Ning
