**Subject:** Townscape Plan for Marshfield

Mr. Halkiotis,

I wanted to let you know that I have sent back your copy of "The Townscape Plan" that you loaned me on May 3 at our information gathering meeting for the Pilgrim Nuclear Power Station license renewal. It will arrive at your office on May 22. Thank you for loaning it to me, and for taking time to meet with me, my colleague Andrew Parker, and Jason Fleming with the NRC.
