Mr. Hartmann,

I was able to download the files for the figures and for the Master Plan without any problems.

Thank you very much for your help.

Contact the DPW about water plans

I have placed several maps on our ftp site.

To download from our FTP site.

The files are located in this ftp site: <ftp://www.plymouth-ma.gov>

To login the username is ply_ftp and the password is pl5n1ng

In the Planning subfile you'll find Earth Tech folder.

Download the two JEPGS.

Also download the master plan found in the Master Plan Folder.

Let me know if it work

Subject: Pilgrim NPS EIS - info request

Mr. Hartmann,

I have left you a voice mail, but thought I'd follow up with this email. I have a couple of specific questions concerning the Town of Plymouth.

- 1) Future land use - I found the Town's Strategic Action Plan on your website. It refers to the Master Plan. Is there a future land use map associated with the Master Plan? Specifically, I am interested in the planned land use for the Pilgrim Nuclear Power Station and surrounding area.
- 2) Existing land use - Is there an existing land use map available for the Town?
- 3) Public water supply - Where can I access a copy of the water master plan recently completed for the Town?

Thank you for your assistance.
