**DOMINION'S RESPONSE TO NOVEMBER 17, 2006 ORDER**

Dominion Nuclear North Anna, LLC ("Dominion") hereby responds to the Atomic Safety and Licensing Board's Order of November 17, 2006, which requested recommendations for hearing locations and dates in this proceeding.

Dominion suggests that the limited appearance session should be held on an evening at The Forum at the Louisa County Middle School, 1009 Davis Highway, Mineral, Virginia 23117. This location has been used for previous public meetings on Dominion's ESP application, and has worked well. Dominion suggests that the mandatory hearing should be held at the Atomic Safety and Licensing Board's hearing room in Rockville. This location would be convenient for the Board, NRC Staff, and Dominion, and would still be accessible to members of the public who might wish to observe. Alternatively, depending on availability, the mandatory hearing could be held at the Louisa County Public Meeting Room, Louisa County Office Building, One Woolfolk Avenue, Louisa, Virginia 23093.

With respect to the dates, Dominion recommends and requests that the mandatory hearing be held in March. A calendar showing the unavailability of Dominion's witnesses and counsel from February through May 2007, inclusive, is attached. Dates shown as "Unavailable" indicate

that one or more potential witnesses, or counsel, are unavailable on that date. The dates on which Dominion is currently unavailable might be reduced depending on the scope of testimony requested by the Board (for example, if the Board decides that it does not need testimony from particular subject matter experts). Dominion will be prepared to discuss these matters at the prehearing conference on December 14.

Respectfully submitted,
