Re: THPO # Project # Project description and location
2007-229-1 License SNM-1107 Request for concurrence on renewal of Westinghouse's Columbia Fuel Fabrication Facility, Columbia, SC

Dear Ms. Davis,

The Catawba have concerns with regard to traditional cultural properties, sacred sites or Native American archaeological sites within the boundaries of the proposed project areas. They are as follows:

- We have concerns that a land sale apparently went out of a Federal action status, but we were not notified. We wish to be notified of any such actions in the future.
- We strongly feel that a MOA should be developed stating that no new ground disturbance will be conducted without contacting our office as part of a proper Section 106.
- We would like to see a copy of the Environmental Assessment.

If you have questions please contact Sandra Reinhardt at 803-328-2427, ext., 233 or e-mail sandrar@ccppcrafts.com.

Sincerely,

Sandra Reinhardt for

Wenonah G. Haire
Tribal Historic Preservation Officer
