Subject: (NOTE: This will be used as the Documents Title in ADAMS)	RSO Attestation letter clarification	
Summary:	The attestation letter provided to name a new RSO on the license did not depict efficiently the training received by the proposed RSO. I explained the letter included all of the paragraphs under 35.50 explicitly. I asked for the attestor to specify the training received by the proposed RSO that would qualify him under 35.50.
