Contd 01738 for Renewal of 08-01738-02

SUMMARY

Col Woodward has replaced ~~the~~ LTC Quillen as RSO @ Walter Reed. I asked if their pending application dated 18 July 79 is still current for review to begin.

He is revising Walter Reed Regulation 40-10 but it will be quite a while and he will advise when it is done. Otherwise the application is OK for review and since his reg revision is not imminent, I told him we would begin review of their renewal application.
