Subject: Financial Assurance for Decommissioning

Gentlemen:

This refers to your submittal regarding financial assurance for decommissioning dated June 29, 1990 for the above captioned licenses at Fort Monmouth, New Jersey. We have reviewed this submittal and have no further questions regarding it at this time. Based on the most recent amendments, financial assurance is no longer required for License Nos. 29-01022-07 and 29-01022-10. However, since we are reviewing your application to renew License No. 29-01022-06, in accordance with 10 CFR 30.35(c)(2) a Decommissioning Funding Plan (DFP) with an actual cost estimate is now required. Since financial assurance is required, your statement of intent must be modified to reference the amount of the estimate. Please submit the Decommissioning Funding Plan and modified Statement of Intent.

If you have questions, please contact Anthony Dimitriadis of my staff at (215) 337-6953.
