## Licensing Section

U.S. Nuclear Regulatory Commission Region III

2443 Warrenville Road

Suite 210

Lisle, IL 60532-4352

To Whom It May Concern:

This letter is to inform you that on July 17, 2006 Millipore Corporation purchased Serologicals Corporation, of which Linco Research Incorporated (24-26445-01) and Linco Diagnostic Services, Inc. (24-32505-01) is a wholly owned subsidiary. In reference to our licenses listed previously with your organization. The Linco Research Incorporated and Linco Diagnostic Services, Inc. will remain as shown on the current License and the only change at this time will be the parent company of Millipore Corporation.

Key employees of Linco Research and Linco Diagnostic Services will remain employed and will be involved in the same activities as those necessitating the original grant of the licenses. No changes will occur with regard to the use of the licenses, the original purpose for which it was granted or the organization, location, facilities, equipment or procedures that relate to the licenses. The surveillance program at each facility is in good standing at the present time and there will be no changes in the procedures or personnel used in the surveillance program up through and following the change of ownership of Linco Research and Linco Diagnostic Services. The re-issued licenses shall remain in the name of Linco Research or Linco Diagnostic Services, as applicable

The principal place of business for Linco Research will remain at 6 Research Park Drive, St. Charles, Missouri 63304 and Linco Diagnostic Services will remain at 15 Research Park Drive, St. Charles, Missouri 63304. The principal place of business for Millipore Corporation is 290 Concord Road, Billerica, Massachusetts 01821, and the phone number is 800-645-5476.

Please feel free to contact me with any questions you may have. If any other radioactive materials license actions are need please contact Jim Hatten, 800-383-0468.

Sincerely,

Rick Ryan

Vice President, Bioscience Drug Discovery
