Docket or
Reference No. 040-08194
Amendment No. 06

In accordance with application dated October 23, 1981, License Number SNB-1183
is amended as follows:

Condition 13. is amended to read:

- 13. Except as specifically provided otherwise by this license, the licensee shall possess and use licensed material described in Items 6, 7, and 8 of this license in accordance with statements, representations, and procedures contained in application dated October 26, 1978; and letter dated October 23, 1981 and enclosures thereto. The Nuclear Regulatory Commission's regulations shall govern the licensee's statements in applications or letters, unless the statements are more restrictive than the regulations.
