Re: Letter dated 12/13/83 regarding SMB-1183,  
SNM-1323, 29-01022-06, 29-01022-07 &  
29-01022-10.

NOTE TO FILES:

Above-mentioned letter was received by me this  
date concerning these licenses.

Called T. Grucci, Coordinator. His verbal  
approval of this change was given. He said that  
in a few months there will be a RPO assigned - that  
his request of 11/30 was in preparation for this.  
He suggested we hold up licenses that are presently  
ready for assembling and mailing and retype them  
to reference this letter in the tiedown condition.
