Mr. Beek:

This is in regard to your letter dated Nov. 27, 2006, informing this office of merger of EGS Gauging with Thermo Electron Corp., and requesting to change the name of licensed entity accordingly.

We need additional information in order to process your request. Section 5 of NUREG 1556, Vol. 15 describes the information that is needed to complete review of your request. The NUREGs are available from the NRC web site www.nrc.gov/reading-rm/doc-collections/nuregs/staff/

Please refer to Control No. 139791 in your response and have a senior official of Thermo Electron Corp. also sign the letter.

Please note that NRC Regulations require that a licensee obtain written consent of the NRC prior to transfer of control of license. Therefore, it is necessary that you provide the requested information as soon as possible. NRC policy does not permit us to accept such responses via e-mail. You may however, fax your response to us at (610 337 5269).

Please feel free to call me (610 337 5364) if you have any questions.

Sincerely,

Sattar Lodhi
